FROM THE PRINCIPAL'S DESK

Congratulations

Congratulations to Mrs Jennifer Miggins who this week has been appointed as Principal of Gundagai High School.

Mrs Miggins has made an outstanding contribution to Karabar High School and Distance Education Centre during her three-and-a half years at the school.

Her contribution to improving the school's welfare system, work in curriculum (particularly Gifted and Talented Student education), Aboriginal Education and to the corporate life of the school has been greatly appreciated.

We wish Mrs Miggins all the best as she moves to Gundagai to take up her new position next term.

Mrs Miggins position will be filled, in a relieving capacity by Jackie Southwell, until it can be advertised.

Further Congratulations

Congratulations to Sigi Schneider (Year 8) who won a number of awards at a state-wide horse riding competition recently. This included 1st and 7th place in State Showjumping held at Camden Equestrian Centre.

Future Stars on Show

If you would like another opportunity to see some of our students show-casing their performance abilities on stage then take the time to see the local production of *Chess*, which will be on at *The Q*.

Have a Happy and Safe Holiday

As we reach the end of a long term I wish all students, staff and families a happy, safe and relaxing holiday period.

Even though next semester is only nineteen weeks long it will be busy and hectic, so make sure the batteries are charged before we take off for the second half of the year.

Distance Education Review

We are still waiting for the next stage of the Distance Education Review process to be released.

Originally, we were hoping that the next stage of the process would be released to schools before the end of this term. During the past week I received brief notification that the next stage of the review process would become available in the first part of next term.

THEATRE SPORTS

Congratulations to the Karabar High Theatre Sports Team for their brilliant performance in the state finals last Sunday evening at the Enmore Theatre in Sydney. Karabar made it through to be in the top 8 of 159 schools across NSW and was the only non selective government high school in the running. The competition standard was very high and each student was awarded a medal for being a finalist. Thanks to all who supported the students' involvement in this competition, parents and staff alike.
